BERLIN - OCTOBER 13: A worker hangs paintings featuring early-19th century Russian revolutionary leader Vladimir Lenin ahead of the "Behind The Iron Curtain - Art Of Socialist Realism" exhibition on October 13, 2009 in Berlin, Germany. The exhibition will run from October 17 through November 30 at the Jeschke - Van Vliet gallery and will display 300 paintings, many of which were commissioned by Soviet authorities to glorify the achievements of the former USSR. In November 150 of the paintings will be sold in auction. The exhibition coincides with the 20th anniversary of the Fall of the Berlin Wall. (Photo by Sean Gallup/Getty Images)
